

Q. How can you help?

The association is always looking for additional help, however big or small. You can help in the following ways:

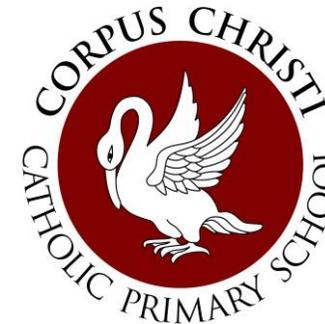

- **Attend Association meetings.** Pop along and put forward your ideas, all are welcome!
- **Support events.** Both attend them with your families but offer up a bit of time to man stalls, set up, clear up etc, small contributions of time can make a big difference.
- **Sponsorship or Matched Funding.** If you know companies who may be willing to sponsor or donate prizes to events, then please let us know. Also many companies offer Matched Funding schemes where employees who raise money for charities can get their efforts matched by the employer.
- Sign up and donate via the **TheGivingMachine.co.uk** ... your everyday online shopping with the likes of Amazon can translate into money for the school.
- **Donate items.** Items needed are usually publicised via ParentMail during the run-up to the events.

In helping you will be rewarded with the knowledge that you have made a difference to the children's schooling and social wellbeing. Also, being involved in events can be great fun too.

Q. What is the money raised by the school association doing?

In recent years, we have been raising around £20,000 each academic year! This fantastic amount has made a major contribution to the school wellbeing. Recent projects have included new flooring in the learning/play area near KS1 and Reception classrooms, the new sun awning over KS1 classroom, tennis table equipment and new sports kit for inter-school games. With your help this year we can exceed that number!

About the School Association

The Corpus Christi School Association is a group that comprises parents, carers, relatives and teachers of Corpus Christi School. Our main aim is to raise valuable funds for the school, and organise events that not only achieve this, but are also great fun for all. Our two biggest events are the Summer Fair and Christmas Fair, but there are also quiz and curry nights, Fireworks and plenty of other fun events through the year.

We're just like you, parents & carers with children attending the school. We have a lot of fun meeting other parents/carers in the course of organizing events to raise valuable funds for the school.

If your time is short, you can still help! We need help with everything from organising logistics, contacting sponsors, generating ideas, manning stands, putting up gazebos ... there is always plenty of things to do!

The more hands involved, the lighter the work load for everyone. Perhaps you can offer your valuable and much needed help by getting involved in one project a year?

And one way all parents can help their child's school's fundraising is by coming along and supporting events. Feel free to contact any of the committee if you are interested in joining us on a more active level or if you have any queries.

To get a message to the committee, please email corpuschristipta@yahoo.co.uk, see the contact details on our noticeboard out front, ask at the school office or simply ask around at drop-off/pick up.

Frequently Asked Questions

We hope that the following frequently asked questions (FAQ) will help you understand what the Corpus Christi School Association is all about. If you have any further queries please do not hesitate to contact us.

Q. Who is on the Committee?

Chair	Lucy Davey
Vice-Chair	Anna Fisher
Secretary	Linsay North
Treasurer	Melanie Lee and Amir Amin
Headteacher	Vanessa Vaughan

There are numerous other people who volunteer their time to help during specific events across the year, please be one of them!

Q. What does the School Association do?

The School Association is a partnership between parents and the school to help maintain and improve the school environment. This is achieved by raising funds to provide extra resources for the school where there is insufficient funding. In addition, it brings the school community closer through social functions.

Q. When do we meet and who can attend?

The School Association meets approx. three times a term, usually on a Monday or Tuesday. The dates will be given out on ParentMail. Everyone is welcome to come along!
