

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	<p><u>Understanding the World. ELG: People, Culture and Communities; ELG: The Natural World</u></p> <p>Children will explore the world around us with a focus on developing geographical vocabulary and learning about the world through first-hand experience, stories and play. Children's curiosity and experiences will be guided through the concepts of place, space, environment, and scale by questions such as: Space Where am I? Is it near or far? Environment What other animals and plants live here? Place What is it like here? What can I do here? How do I feel about it? Change How is this similar to and different from other places? Making connections Where does my lunch come from? Scale How big is an ant's home?</p>					
Year 1	Where Do I Live? Fieldwork		Hot and Cold places		Why do we like to be beside the seaside?	
Year 2	Continents and Oceans		Can we map our school? Fieldwork		How does the geography of Zambia compare with where I live?	
Year 3		Our European Neighbours		Rio and South-East Brazil		What is our local climate like? Fieldwork
Year 4		Volcanoes		What is land used for in our local area? Fieldwork.		Rainforests and biomes
Year 5		United Kingdom		Earthquakes		What are the features of our local rivers? Fieldwork
Year 6		Marvellous Mountains		North America		What are our regional trade links? Fieldwork
