calls us all to share in His Life and His Mission.

We are the Body of Christ.
We are Corpus Christi!

Vision

The Catholic Faith is taught, lived and witnessed in the daily life of our school, and our faith inspires and encourages us to reach out in love to others.

Recognising that everyone is made in the image and likeness of God, we will:

- Encourage all to strive for excellence and achieve their individual God given potential
- Respect and nurture every child in our school
- Provide enriching, exciting and creative learning opportunities
- Prepare children for life in a modern and diverse society
- Work in partnership with our staff, Governors, parents, Parishes and the wider community for the good of all

As a Catholic school we are called to be a school of prayer reflecting on Sacred Scripture and celebrating the Sacraments. Through this we are inspired to lead and nurture every member of the school community to grow in the knowledge and love of Jesus as we pray and worship together.

1. Statement of intent

Corpus Christi Catholic Primary School understands that, under the Equality Act 2010, all schools have a duty to:

- Eliminate unlawful discrimination, harassment and victimisation.
- Advance equality between different groups.
- Foster good relations between different groups.
- Promote mental health and wellbeing.

Our school's overall values are underpinned by our statutory duties under the Equality Act 2010. We are dedicated to ensuring that every pupil receives an education that offers them the best chance at fulfilling their potential, and to promoting mental wellbeing amongst our pupils. We are committed to supporting and celebrating all pupils' individual identities. We have developed this policy to provide a clear framework for how we will achieve our school's aims.

To achieve our aims, we will adopt the following methods:

- Embedding equality within teaching and resources
- Using key data indicators to understand the needs and characteristics of our school
- Promoting community cohesion
- Promoting parental engagement
- Investing in regular staff training
- Using key data, such as measures of wellbeing, to monitor the progress of pupils with protected characteristics
- Regularly reviewing our policy to ensure it reflects current trends and issues

3. Roles and responsibilities

The Governing Body will:

- Be responsible for ensuring the school complies with the appropriate equality legislation and regulations.
- Take all reasonable steps to ensure pupils and potential pupils will not be discriminated against, harassed or victimised in relation to:
 - Admissions.
 - The way the school provides an education for pupils.
 - How pupils are provided with access to benefits, facilities and services.
 - The exclusion of a pupil or subjecting them to any other detriment.
- Ensure all policies are developed and implemented with appropriate equality impact assessments informing future plans in collaboration with the headteacher.

The Headteacher will:

- Implement and champion this policy, ensuring that all staff and pupils apply its guidelines fairly in all situations.
- Conduct regular training sessions to ensure all members of staff are aware of their responsibilities, as well as to develop their skills and knowledge.
- Review and amend this policy, considering new legislation and government guidance, and previously reported incidents, in order to improve procedures.
- Ensure that appropriate counselling is made available for pupils who require immediate interventions, parental assistance and personal counselling.

Staff will:

- Be alert to the possible harassment of pupils, both inside and outside of the school, and to deal with incidents of harassment and/or discrimination as the highest priority.
- Carry out their statutory duties relating to equal opportunities and inclusivity, and pertaining to their specific roles.
- Have due regard to the sensitivities of all pupils, and not provide material that may cause offence.
- Act as a role model for equality, diversity and inclusion across the whole school community.

4. Protected characteristics

We will not discriminate against, harass or victimise a pupil, or prospective pupil, because of their:

- Sex.
- Age.
- Race.
- Disability, which includes mental health, encompassing prejudiced assumptions, attitudes or behaviours related to mental health.
- Religion or belief.
- Sexual orientation. (Inc. Family member)
- Gender reassignment
- being married or in a civil partnership
- being pregnant or on maternity leave

We will not discriminate against a pupil, or prospective pupil, because of a characteristic related to a person, such as a parent, with whom the pupil or prospective pupil is associated.

We will not discriminate against a pupil, or prospective pupil, because of a characteristic which they are believed to have, even if the belief is mistaken.

Sex

For the purpose of this policy, sex refers to a pupil's biological assignment at birth depending on their reproductive organs. We understand some pupils may identify as a gender different to the one they were assigned at birth.

We will ensure that pupils of one sex are not singled out for different or less favourable treatment from that given to pupils of other sexes.

The school will only separate pupils by sex where there is reasonable justification for doing so, or if one of the following applies:

- Pupils will suffer a disadvantage connected to their sex
- One sex has needs that are different from the needs of the other sex
- Participation in an activity by pupils of one sex is disproportionately low

The school will consider non-statutory exceptions on a case-by-case basis, and regularly review the impact of any separation to ascertain whether it remains lawful.

Pupils will be offered equal opportunities to undertake any activity in the school.

There may be occasions where we deem it necessary to teach some subjects in single-sex classes, but we will ensure that such classes do not give pupils a disadvantage when compared to pupils of the other sex in other classes. Occasions where pupils are separated to be taught in single-sex classes will be documented and the separation justified to ensure parents, Ofsted and, where necessary, the wider community can understand the reasons behind separation. Where a subject is taught in a single-sex class, trans pupils will be allowed to attend the single-sex class that corresponds with the gender they identify with.

Pupils' age and stage of development will be taken into consideration before segregating sports teams. Both sexes will have equal opportunities to participate in comparable sporting activities; where separation is deemed necessary, the single-sex sports teams will receive the same quality and amount of resources.

Race and ethnicity

We will ensure that pupils of all races and ethnicities are not singled out for different and less favourable treatment from that given to other pupils, regularly reviewing our school practices to ensure that they are fair.

We will ensure pupils with EAL are treated equally and fairly, while ensuring they are supported at all times.

We will not segregate pupils on the basis of their race or ethnicity.

We will endeavour to develop our pupils as anti-racist citizens.

We may, however, take positive action, e.g. organising open days for pupils and families of a specific race that is under-represented, to address the particular challenges affecting pupils of one racial or ethnic group, where this can be shown to be a proportionate way of dealing with such issues.

Disability

We will ensure that pupils with disabilities are not singled out or treated less favourably than other pupils simply because they have a disability, which includes any mental health issue, regularly reviewing our school practices to ensure they are fair.

We will ensure that we do not discriminate against pupils with disabilities because of something which is a consequence of their disability (for example, by not allowing a pupil on crutches outside at break time because it would take too long for them to get in and out), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.

We will make any reasonable adjustments, and provide any auxiliary aids, necessary to ensure the full inclusion of pupils with disabilities, especially where the pupil also has SEND but does not have a SEND statement or EHC plan.

We will meet our duty to undertake accessibility planning for pupils with disabilities and ensure that an Accessibility Plan is implemented and reviewed where necessary.

The school adheres to our Special Educational Needs and Disabilities (SEND) Policy containing further information addressing equal opportunities for pupils with SEND.

We will ensure that any medical conditions related to a pupil with a protected characteristic is fully supported in line with our Supporting Pupils with Medical Conditions Policy.

Religion and belief

We will ensure that pupils are not singled out or treated less favourably because of their religion or belief, regularly reviewing our school practices to ensure that they are fair.

Absences in relation to religious observances will be handled in accordance with the school's Attendance and Absence Policy.

Sexual orientation

We will ensure that all gay, lesbian and bisexual pupils, or the children of gay, lesbian or bisexual parents, are not singled out for different or less favourable treatment from that given to other pupils, regularly reviewing our school practices to ensure that they are fair.

RSHE lessons will be taught in accordance with our Relationships and Sex Education Policy.

We will ensure that any religious beliefs with regards to sexual orientation are taught to pupils in an educational context, in a manner that is not prejudicial or discriminatory.

5. Looked-after children (LAC)

LAC and previously LAC (PLAC) will be given the highest priority for admissions, as per the requirements of our Admissions Policy.

We will ensure that pupils are not singled out or treated less favourably because they are looked after, or have previously been looked after, by the state.

A personal education plan will be created and implemented for all LAC and PLAC, to ensure that their education and development needs are fully covered, including appropriate transition and catch-up support to ensure that they do not fall behind.

We will ensure that any SEND that LAC or PLAC have are duly considered and addressed, whether this is with or without a SEND statement or EHC plan.

6. The curriculum

We will ensure that the curriculum is as balanced as possible, and delivered in such a way that prevents discrimination and the promotion of prejudicial stereotypes.

To ensure equality, diversity and acceptance are taught and promoted throughout each subject area, the curriculum content and resources used draw on interest and relevance to pupils of all groups.

The observation of inclusive teaching strategies is a key aspect of the SLT's programme of monitoring.

We will respect the right of parents to withdraw their child from sex education.

7. Promoting inclusion

We will promote inclusion and equality at our school by:

- Ensuring that pupils are called by their preferred names, which may be different from their legal names, taking into account the correct spelling, structure and pronunciation.
- Ensuring, as far as possible, that our governing board and staff reflect the full diversity of our local community.
- Providing an environment where prejudiced assumptions, attitudes and behaviours are continually challenged.
- Instilling in pupils an awareness of prejudice, giving them confidence that it can, and must, be eradicated.
- Providing a variety of educational and residential visits that expose pupils to a wide range of cultural experiences.
- Ensuring equal access to opportunities, such as extracurricular activities and the curriculum.
- Taking care in the use of language and the choice of resources, so that teaching and non-teaching staff avoid reinforcing stereotypical views of society.
- Valuing the cultural experiences and contributions of all pupils, regardless of any protected characteristic that they may have.
- Communicating our policy to parents to gain their understanding, agreement and support for its provisions.
- Discussing equality issues as an agenda item for the school council.
- Promoting equality of opportunity within the wider society.
- Ensuring admission arrangements will not unfairly disadvantage a pupil from a particular social or racial group, or with SEND.

8. Pupils that have left school

Our responsibility to not discriminate, harass or victimise does not end when a pupil has left school. It will continue to apply with regard to subsequent actions related to our previous relationship with the pupil, such as the provision of references.

9. The Public Sector Equality Duty

We will meet our duty to publish:

- Annual information to demonstrate how the school is complying with the Public Sector Equality Duty, taking into account the specific circumstances surrounding pupils who have any of the protected characteristics.
- Equality objectives (at least every four years) outlining how we may further equality in our school.

There are some protected characteristics where statistical data is less likely to be readily available, and pupils will not be pressured into providing information related to any characteristic which they may identify with.

10. Bullying and discrimination

Our 'Promoting Good Behaviour and Positive Relationships Policy' will be used in conjunction with this policy in order to prevent, and effectively deal with, any discriminatory incidents.

Any incidents of a child protection or safeguarding nature will be reported, recorded and dealt with in line with the process in our Child Protection and Safeguarding Policy.

It is the responsibility of the DSL to decide whether it is appropriate to notify social services and/or the police of any incident.

Where there is an incident declared to be racist by a pupil or member of staff, then it will be reported to the class teacher, parents of those children involved, governors and the L.A. using the agreed format.

Concerns with regards to the handling of bullying and discrimination incidents will be dealt with via the procedures outlined in our Complaints Procedures Policy.

11. Staff training

New staff will receive relevant training on the provisions of this policy during their induction.

Whole-school staff training will be delivered in-house on a termly basis.

Staff will receive the appropriate equalities training that will:

- Ensure all staff are aware of, and comply with, current equalities legislation and government recommendations.
- Ensure all staff are aware of their responsibilities and how they can support pupils with protected characteristics.
- Provide support for teachers to effectively manage any discrimination towards pupils with protected characteristics.
- Provide up-to-date information on the terms, concepts and current understandings relating to each of the protected characteristics.
- Develop appropriate strategies for communication between parents, educators and pupils about any issues related to a protected characteristic.
