EYFS	Understanding the World. ELG: People, Culture and Communities; ELG: The Natural World Children will explore the world around us with a focus on developing geographical vocabulary and learning about the world through first-hand experience, stories and play. Children's curiosity and experiences will be guided through the concepts of place, space, environment, and scale by questions such as: **Space** Where am I? Is it near or far? **Environment** What other animals and plants live here? **Place** What is it like here? What can I do here? How do I feel about it? **Change** How is this similar to and different from other places? **Making connections** Where does my lunch come from? **Scale** How big is an ant's home?
